

Dial Phones Here Set for Late Winter

Following completion of the two-story Pacific Telephone and Telegraph company building now under construction on the south-east corner of Engracia and Cravens avenues, set for late this winter, dial telephones will be installed in Torrance homes and offices, according to A. B. Smith, exchange manager.

The structure is being built at a cost of \$650,000. When the building is completed business office personnel will move their desks from 1307 Post street to the new and larger facilities on Engracia. Operation and maintenance equipment will be housed in both the new building and the present center of non-dial operating gear, 1266 Sartori avenue. This latter building has been used since 1928.

Installation of automatic dial apparatus will not result in the unemployment of telephone operators, the company official said. They will be assigned to other duties in an effort to retail all present employees.

As of today, workers for Escherich Bros., Inc., have erected the steel-reinforced concrete frame of the building. When finished it will be of a fire resistant nature and will feature windows set in shadow box frames.

Urgency Proposal

(Continued from Page One) ters which provide for a maximum of two hours parking will be ordered, but no mention was made of the firm which will install them.

Representatives have been active in Torrance of late, however. Whether or not the parking authority will be appointed later was not immediately determined. The five man board would have power to take the parking meter revenue and purchase or condemn property for off-street parking.

Councilman Nick Draie, opponent of the parking meters on the grounds that the city has the money to buy the real estate, and opponent of the "parking authority" on the ground that the City Council has the power of eminent domain and should not delegate this power to another board, he asked for a vote of the people on the question of parking meter installation.

"I don't think that the people of Torrance should be taxed directly or indirectly without having a chance to vote on the matter," Draie said, "and I would like to see an election on the parking meter question."

The ordinance as adopted contained the provision that "all of the revenue received by the City of Torrance from parking meters, over and above maintenance costs and in excess of the amounts required to be paid by the City under any contract of purchase for such parking meters, shall be deposited to the credit of the Parking Authority and shall thereupon be used exclusively for the purposes of purchasing property for off-street parking."

This means that the authority no doubt will be appointed if the ordinance goes into effect.

Multiple Listing Service Fetes. Fourth Year

The Multiple Listing Service of the Torrance-Lomita Realty Board will soon start its fourth year of operation, it has grown from scratch to well over a million dollars of sales per year, it was reported by Gerald L. Alter, local realtor.

This service was inaugurated in order for the realtors in this area to better serve both the buyer and seller—each member office now has on file, not only his own listings, but those of all the other major offices in this area, and through a reciprocal agreement, has access to multiple listings from the San Pedro Realty Board.

The owners, to put his property on the "Multiple," selects the Realtor or Salesman (there are over 90 in the board) in which he has confidence, gives him an exclusive right listing on a special blank furnished by the board. The original of this listing must be turned into the Multiple Listing Secretary within 72 hours.

COPIES SENT - The listings from all offices are then mimeographed and copies are sent out to all members, as well as to the San Pedro Realty Board Office. Any changes, corrections or sale of any listing is quickly bulletined out to all concerned.

Although a multiple listing must be an exclusive right listing, non-members brokers may sell this property by working thru any member. There is no cost to the seller for the listing, and only one commission is paid when the property is sold. As co-operating brokers divide the commission between them, the realtor's first obligation is to render a service to their customers and they do not limit their efforts to the amount of compensation received.

Three Torrance Boys Enter Nat'l Tennis Tournaments

Jerry Farrar, Dan Rohrdanz and Richard Uglund will represent Torrance in the National Junior Tennis Championships to be staged early next month in Arcadia. Farrar and Rohrdanz will enter the boys singles competition while Uglund will team with Rohrdanz in doubles play.

The doubles team won the Arcadia trip by downing Farrar and Gene Davis in an extended match, 4-6, 6-4, 7-5 and 6-4. Terrific volleying from the net featured the play.

Farrar won the singles title earlier at the Qualifying Tourney at Torrance High School Playground by default from Rohrdanz, who was ill.

All of the boys made their varsity letters at Torrance High School, according to Rex Welch of the Recreation Department—Farrar as a freshman and the other two as juniors.

Armed Bandits

(Continued from Page One) person. His wife said that about \$600 was taken.

FELT GUN IN RIBS - The victim said that the men entered the shop after his television technician had left to deliver a TV set. Ruff said that he was looking into a deep freeze unit at the shop when he felt a gun placed in his ribs. He was forced to go into the rear of the building, where the thieves tied his hands with a short piece of cotton line, his feet with vacuum cleaner cord, the cleaner still attached, and put a jacket around his neck and over his face. One of the suspects placed a handkerchief in the victim's mouth but removed it again.

About seven minutes after the bandits had left, Ruff worked his hands free and called the police department. Detectives are now investigating the case.

Home Run King In Torrance

It has been reported that living in our midst right here in Torrance is a real home run king. Answering to the name of Jack Vinik, he made four home runs yesterday right off the bat—with his truck . . . running from home to home making estimates (cheerful, smiling, low) for his upholstery work.

Mr. Vinik, diligent owner of the Torrance Upholstery Shop, makes a hit with each of his home runs. He says his aim is to please and his aim is good. Call now for a home run at no obligation to you for an estimate of your upholstery, slip cover, or drapery work. All hits and no errors, your satisfaction is guaranteed. The phone please—Torrance 1157. —It's an ad.

Two Doctors Join Staff of Torrance Medical Group

Recently added to the staff of the Torrance Medical Group, 1104 Sartori avenue, were Doctors Emory Schiller, formerly of Budapest, Hungary, and W. A. Sidders, an Army physician for two years.

The two new doctors are associated in the practice with Doctors Kurt Shery and Eugene Cook, owners of the Torrance Medical Group. Dr. Schiller specializes in the treatment of diseases of infants and children.

Born in Budapest, Hungary, Dr. Schiller graduated from a private high school for girls and had special credits for medical

University. After receiving her Medical License she had two years residency in the Infants & Childrens Asylum Hospital of the State, Budapest, Hungary; Then two years residency in the Brody Adele Childrens Hospital, Budapest.

During the second world war she was resident in Childrens Contagious Wards in the Red Cross Hospital, Budapest. In 1945 she took her examination for the Pediatric Board and after that she was Medical Director of the Infants Home of the National Aid, Budapest.

She had private practice in her offices in Budapest and was Assistant Chief Physician in the Childrens Clinic for the Union Workers, Budapest. In 1947 (December) she came to the United States.

She had internship in the St. Vincent Hospital in Los Angeles, received her California license in 1950 and her eligibility for the American Board of Pediatrics. Since then she has had offices in Los Angeles, is on the Staff of the Los Angeles County General Hospital, Allergy Clinic and is also a member of the Los Angeles County Medical Association.

DR. SIDDERS - Dr. Sidders is formerly a native of Washington State where he attended College of Puget Sound for four years with B. S. degree.

schools. He attended the Pazmany Peter University and had internship in the University Hospitals, Budapest, Hungary.

During her training in the summer months for four years (as is customary in Hungary) she worked as extern in the Childrens Clinic & Hospital of the

Grand Opening of George's Meat'n Place

Free doughnuts will be served to each and every patron tomorrow, Friday, July 26 at George's Meat'n Place, 1340 El Prado Ave. when owners George and Florence Partridge hold their grand opening.

The Partridge's cafe, formerly known as the Beverly Anne Malt and Donut Shop, had been located across the street from the new location, at 1841 El Prado, for the past four years.

Specializing in the serving of breakfasts, lunches, and dinners, George is particularly well known here for his large assortment and variety of donuts. He will also have complete fountain service at his new location.

The Partridges, who have lived in Torrance since 1945, reside at 1621 218th st., Torrance.

\$100 Needed

(Continued from Page One) Thursday and was crossing the street on Sartori avenue when she noticed that the handbag had opened and the money had evidently fallen out.

Anyone who may have found the money, which is badly needed for an operation, is asked to contact Mrs. Yates by calling Torrance 3641-W.

Riviera Bus

(Continued from Page One) reluctantly voted by the transportation commission after continued requests for it on the part of the Hollywood Riviera residents. Councilman Willys Blount, chairman of the city's transportation commission, said that he voted for resumption of the line against his wishes.

School Working

(Continued from Page One) tive personnel; Recommend all personnel; Coordinate school-community relations; Represent district in intergovernmental and professional relationships; Coordination of research; Securing legal interpretations; Appraisal of the educational program for children; Coordinate planning and use of educational facilities for children; District organization, Torrance; Education association, California; School employees' association, others.

Man Killed in Auto-Cycle Crash

Wayne Joseph Bost, age 24, was the victim of an automobile and motorcycle accident at the corner of Rendo Beach and Aviation boulevard, Saturday, July 21st. He was rushed to the Harbor General Hospital where he died from his injuries. A coroner's jury was held at the Stone and Myers Mortuary July 24th.

Funeral service will be held at 2 p.m. today, July 26th, at the Stone and Myers Mortuary. The body will be shipped to Chicago for burial.

Bost was an employee of the Douglas Aircraft Company and resided at 116 84th place, Los Angeles. He is survived by his wife, Vernus D. Bost of the home address and also the father and mother, Mr. and Mrs. Harry Bost of Chicago.

578th for Korea

(Continued from Page One) sent to Japan in the spring to bolster United States occupation forces there.

The department advised Sen. Richard Nixon (R-Calif.) that there is no basis for reports that the 40th would be shifted to Korea after the senator queried the Pentagon as the result of receiving numerous communications from relatives of men in the 40th protesting a proposal to send the outfit to Korea.
